- A new window will open and begin downloading seaLandings.
 During the installation an additional window entitled "Sealandings Installer" will open and you will be prompted to enter your user ID, then your password twice.

You can check the "Show Password" box in the Sea Landings Installer to view the password that you typed in!

- You can select your transmission type in this window. Use the drop down to choose either "Direct" or "File" Transmission.
 Always make sure that the "Type of Installation" selection is set to Production.
 Once you have chosen your Transmission type, entered your User ID and Password, you can then click "Install."
