eLandings At-Sea production report

Go to: http://elandingst.alaska.gov/elandings/Login

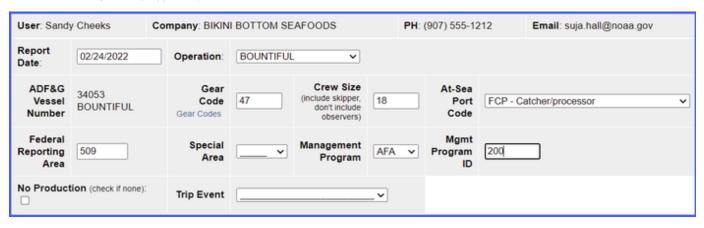

Enter the following user ID and password:

UserID	Password
SCHEEKS	S_cheeks

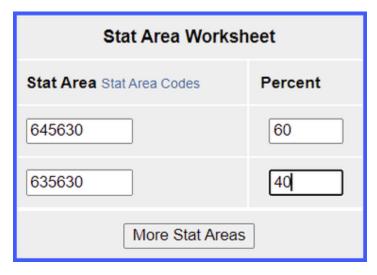

Select BOUNTIFUL from the operation drop down list and then click on the Production Report button.

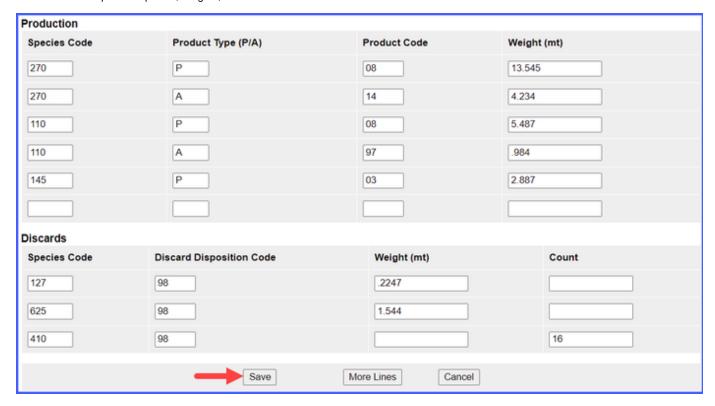

- Some information will be auto-filled for you such as the Report Date, Federal Permit Number, ADF&G Vessel Number and At-Sea Port Code.
- · Enter the following vessel information:
 - Gear Code
 - Crew Size
 - · Federal Reporting Area
 - Special Area (if applicable)
 - Management Program
 - Management Program ID (if CDQ, AFA, or RPP)
 - If this was a No Production day, check the box
 - Trip Event (if applicable)

• Enter the statistical areas fished in the Stat Area Worksheet

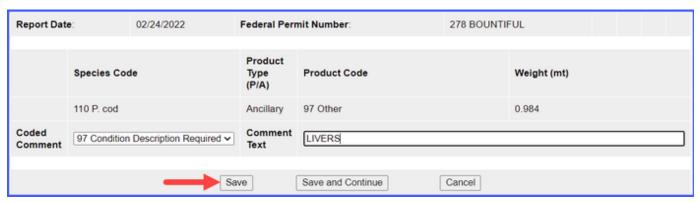

• Enter the product species, weights, and discard information and click on the **Save** button.

- If you scroll down the page and view the product information you will see that **Product Code 97** was entered for one of the pcod lines.
 - Use of this code requires that you enter a comment describing what kind of ancillary product came from the fish.
 - Scroll down to the bottom of the page and click on the Add/Edit Comments button.

Production						
Species Code	Product Type (P/A)	Product Code		Weight (mt)		
270 Pollock	Primary	08 Est cut		13.545		
270 Pollock	Ancillary 14 Roe			4.234		
110 P. cod	Primary	08 Est cut		5.487		
110 P. cod	Ancillary	97 Other		0.984		
145 Yelloweye rf	Primary	03 Bled		2.887		
Discards						
Species Code	Discard Disposition Code		Weight (mt)		Count	
127 Yellowfin sole	98 Disc atsea		0.2247			
625 Jellyfish	98 Disc atsea		1.544			
410 Kings	98 Disc atsea				16	
Edit Report	Add/Edit Comments View PDF to Print		Submit Re	port		

• On the *Production Line Comments* page, enter text describing the product derived from the fish and click on the *Save* button.

You can see at the top of the page that the production report status is Not Submitted, so scroll down and click on the Submit Report but ton.

• Now the status should say Final Report Submitted.

Now that you have submitted your production report, you can print the report PDF and view your MRA spreadsheet by clicking on the appropriate buttons.

 Note: A .csv spreadsheet will open in a new window showing that weeks' products reported in round weight per species and product code combination.

You have successfully submitted your Production Report!
