Scenario

A longline vessel is delivering 6400 lbs of condition 04 halibut (with ice/slime) to The Pisces Plant in Cordova. There are two CFEC permit holders making the delivery that want to max-out pounds on their permits: one is delivering IFQ halibut and the other is delivering CDQ halibut.

Begin the Landing Report

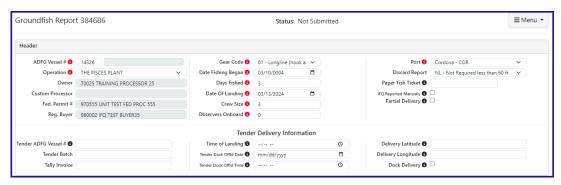

• On the main reports page click on the Groundfish landing report button

Enter the following header information (fishing dates can be different than what is shown):

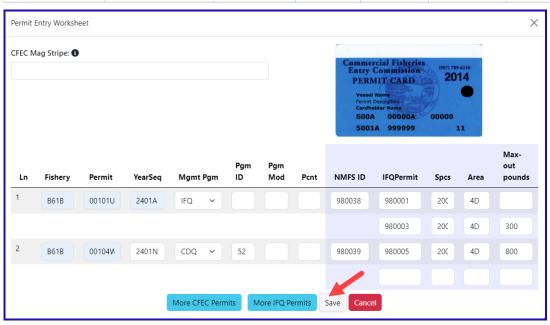

Vessel Information

ADF&G	Gear	Crew	# of	Date Fishing	Days	Date of
#	Code	Size	Observers	Began	Fished	Landing
14326	61	3	0	03/xx/2024	3	

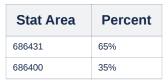

- · Permit Information
 - When using the max-out pounds feature, you will need to have two separate permits for the same Area/Fishery

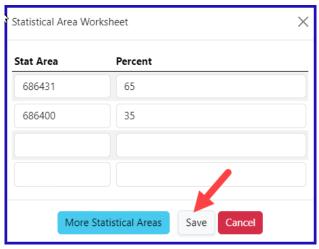

CFEC Permits	Management Program	Program ID	NMFS ID	IFQ Permit	Species	Area/Fishery	Lbs. to Max- out IFQ Permit

Statistical Areas:

• Enter the stat areas and percentages as shown below

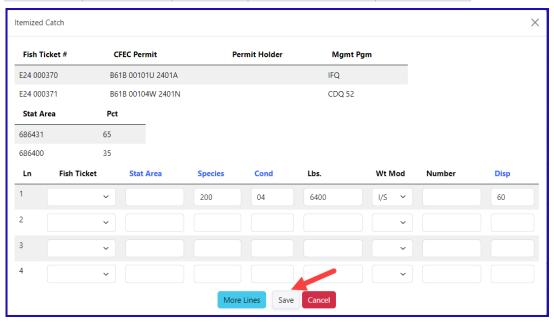

Adding Catch Information

• Click on the Add/Edit Itemized Catch button

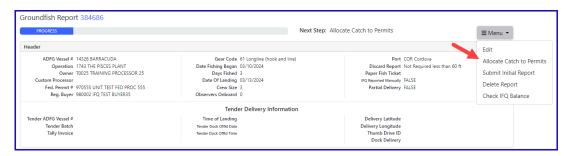

- Enter pounds landed and click on Save.
 - The eLandings system will allocate the IFQ pounds accordingly in the next step.

Species	Species Condition		Weight Modifier	Disposition	
200	04	6400	with Ice and Slime	60	

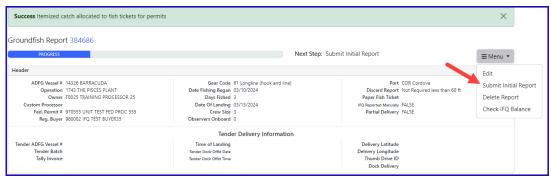

• Select Allocate Permits from the dropdown menu, this will allocate pounds and permits to fish tickets.

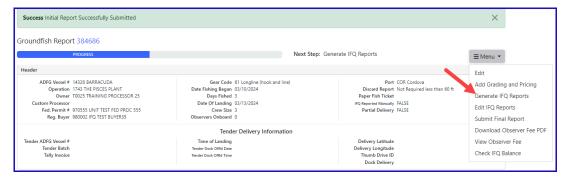

IFQ Reports

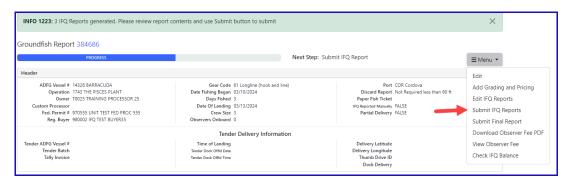

• Before you can generate your IFQ reports you need to Submit Initial Report.

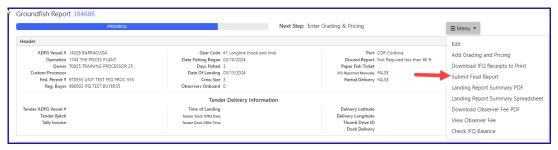

Now you can Generate IFQ Reports.

- You will receive a message that your IFQ reports have successfully been generated.
- · Verify that all of the information in the IFQ report is correct, specifically that the max-out pounds were allocated as desired.
- Select Submit IFQ Reports from the dropdown menu.

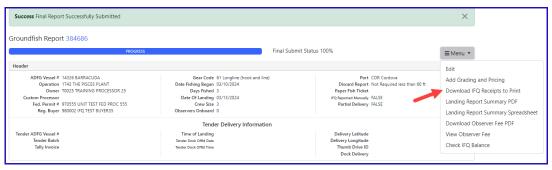

At this point you can add your grading and pricing information. Once you're done with that part of the report you will need to select *Submit Final Report* from the dropdown menu.

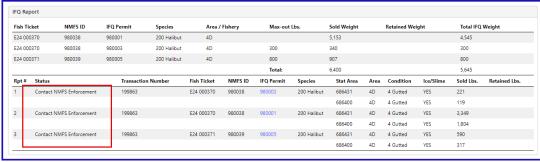

Just a few more things to do and your reporting process will be complete!

1) Print the landing receipt - this will only work if you submitted your IFQ report!

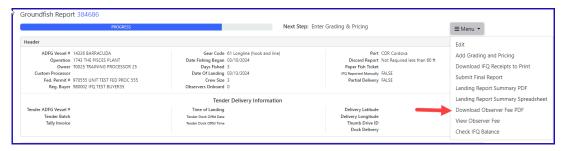

Note: You will ALWAYS receive a "Contact NMFS Enforcement" in the training scenarios because of the PNOL requirements

2) Print your fish tickets
